Responsibilities and duties

The Faculty of Well-being and Fine Arts informs the mentoring personnel about the objectives of the placement and other procedures required by the scheduling of teaching and supervision.

The placement organisation and Satakunta University of Applied Sciences shall not pay any fee or compensation for the implementation of the practice and student guidance under this agreement or for the costs thereof.

The placement organization is entitled to reimbursement which is founded on the regulations in the Health Care Act (1326/2010) and the Social Welfare Act (1301/2014). The reimbursement is paid by the Finnish Supervisory Agency (www.lvv.fi) based on the number of practice weeks confirmed by SAMK. It is the placement organisation's responsibility to submit an application and obtain SAMK's confirmation for it.

Attached to the separate agreement you can find an annexe containing information on the application for the Finnish Supervisory Agency (www.lvv.fi) reimbursement.

The student's occupational accident insurance is valid during curricular activities (including practice) and related travel.
